PRIORITIZING TRANSPORTATION INFRASTRUCTURE INVESTMENTS: Broiler Export Supply-Chain Workshop

LOCATION: SAVANNAH, GA

SAVANNAH INTERNATIONAL TRADE & CONVENTION CENTER

DIRECTIONS:

[HTTP://WWW.SAVTCC.COM/GETTING-HERE/DIRECTIONS/](http://www.savtcc.com/getting-here/directions/)

Registration (free) by May 4th, 2018: Please RSVP to Morgan Conklin at morgan.conklin@wsu.edu

The objective of this workshop is to engage transportation stakeholders in the region and present the findings from recent research efforts aimed at modeling and measuring transportation infrastructure improvements that support specific export supply-chains. This research is sponsored by the United States Department of Agriculture and focuses primarily on U.S. Broiler Exports. This approach could be utilized to prioritize national, regional and local transportation infrastructure investments. The workshop is organized by:

Freight Policy Transportation Institute

Washington State University, School of Economic Sciences

Eric L. Jessup, Associate Professor & Ken Casavant, Emeriti Professor

Audience:

- ✓ Poultry Producers/Processors, Transportation Policy Planners (State, Local, Regional), Transportation Service Providers, Shippers, Ports, Freight Planners, Broiler/Poultry Marketing Organizations
